PARENT NOTIFICATION OF SERVICES

Extended Day Tutoring Services

Royal Middle School would like to inform you that your student has been identified as eligible to receive tutoring services. Starting Monday, September 25th, we will be offering after school tutoring. Tutoring will be Monday through Thursday from 3:10 to 5:45. We believe this will be an excellent opportunity for students who need additional academic help with:

- Studying for tests
- Completing homework
- Developing organizational skills
- Individualized instruction

Middle school can be a challenging time for students and we feel this would be an excellent chance for students to improve their grades and increase their success in the classroom. We look forward to seeing your child take advantage of this opportunity to improve their performance.
